

INTERNATIONAL SAW AND KNIFE ASSOCIATION

Cutting Times

Fall 2014

Volume LVII

Number XLVIV

Special Edition Issue

The ROVING ISKA REPORTER asked the following Associate exhibitors in the IWF show 1) Your thoughts on the show this year? 2) What are you promoting in your booth? 3) How has your year been so far? ISKA thinks these booths deserve a second look after all the hard work, time, and \$ necessary to look so professional. If you have further questions, the contact names are printed.

Phone: 847-888-3498
email: rolf@schneeberger-us.com

The Prez Sez...

Hi All,

Fall is here and time to set our sights on cooler temperatures, football and the upcoming holidays!

I would like to thank everyone involved with our IWF reception in Atlanta. The turnout was the best ever and the evening was exceptional. Our sponsors, Bestar LLC and Grasche USA were instrumental in the success of this event.

2015 is the 50th anniversary of ISKA. We have some big things planned. To start we have our annual winter meeting/fishing trip in Florida in March, a hammering seminar in April and the AWFS reception in Las Vegas in July.

Our members are our main focus at ISKA. We are making some changes to the website soon to allow for better access to the other members. We are always looking for other ways to get everyone involved. If you have any suggestions, please send them off. We'll take a look.

Have a great fall season. Hope your team wins!

Tim
